**The British Consulate General  
Trade and Investment Team can:**

- Inform you about British exporters seeking business partners in the U.S.
- Identify British suppliers of goods and services.
- Inform and assist US companies wishing to invest or establish themselves in Britain.
- Supply information about trade fairs and exhibitions in Britain.
- Visit your company to discuss your requirements.
- Co-operate with British companies or their U.S representatives in staging presentation or promotions of their products or services.
